Dear Parent/Carer

Free Milk for Free School Meal Students

We would like to make you aware that as part of the School Food Plan, a new set of standards for all food served in schools has been launched by the Department for Education. This includes the offer of low-fat milk (the equivalent of semi-skimmed) to all pupils in state schools.

Pupils receiving Free School Meals are entitled to 200ml of milk free of charge (the cost will be covered by the school) and this will be available from the dining hall at break.

If you would like your child to receive free milk on a daily basis please complete the reply slip below and indicate the days your child would like the milk. Please return the completed form to the Main Office as soon as possible.

For the scheme to work successfully we will assume if milk is not picked up for three consecutive days (unless your child is absent), then they no longer wish to participate in the scheme and the milk order will be reduced. A new form will require completion should you wish to re-access the scheme.

Yours sincerely

L. Savage
