

8th July 2014

Dear Parent / Carer,

Over the last three years the PE department has run a residential football tour to Villarreal Club de Futbol in southern Spain. However, each time that we have travelled to Spain, the first team have always been playing an away fixture. Despite their recent success in the Spanish La Liga, Villarreal have not played a game on English soil since losing to Manchester City in the Champions League in October 2011.

Therefore, it was exciting news for us to learn that Villarreal will be playing Middlesbrough FC in a pre-season friendly on Saturday 2nd August. Despite this falling in the summer holidays, it is our intention to run a coach of our students to watch this game. Of course, this is open to all students that wish to take part; not just those students that have taken part in the residential tour to Spain. Kick-off is scheduled for 3pm, meaning that we will aim to leave Fulford at around 11.30am and we hope to be back at Fulford before 7pm.

The cost of the trip is £15. We hope to be able to offer this opportunity to as many students as possible and envisage that this will be a popular trip. Of course, if we are oversubscribed, we may have to resort to picking students names out of a hat or running a bigger trip (if feasible).

If you are interested in your son / daughter taking part in this trip, please returned the attached slip and monies to the school office by the end of school on Friday 18th July. Cheques are to be made payable to 'Fulford School Fund.'

Many thanks,

Mr Nick Bradley
School Sports Co-ordinator
