28 April 2015

Dear Parent/Carer

Non-Uniform Day to support fundraising for the Nepalese Earthquake

Many of you will have read of the tragic earthquake in Nepal this weekend and the significant loss of life from this despite ongoing rescue operations. In addition, the disruption to day to day life across the country, and the need to rebuild and restore infrastructure, presents a lasting challenge that will cause hardship for the people of Nepal for many years to come. The work of Aid agencies within the area is key to providing the immediate and long term support that the country will need and the global community will need to respond. This is a cause very close to the school's heart as we have a number of students and parents from the Nepalese community within the school and our primary cluster. We are looking to work alongside these communities and the Gurkha regiment at our local barracks in the coming weeks and months to raise much needed funds for this appeal.

To support fundraising for the Nepalese Earthquake a non-uniform day will take place in conjunction with St Oswalds' CE Primary School on Friday 1 May 2015. The cost of taking part in the non-uniform day will be £1 and donations will be made to Oxfam.

Students who would like to take part in the non-uniform day should bring £1 to school on Friday 1 May 2015 and pay this money to their subject teachers at the start of the day.

Thank you for your support.

Yours faithfully

Mr D Bodey
Deputy Headteacher
