Dear Parent/Carer

Non-Uniform Day in Aid of Student Wellbeing

I am writing to let you know that there will be a non-uniform day on Monday 2nd July 2018. The cost of taking part in the non-uniform day will be £1. All proceeds will be used to support student wellbeing in the school across a number of areas.

The school have worked closely with student Mental Health Champions throughout the second half of this year. These are students who applied and have been appointed to these roles following assemblies on Student Leadership. The students have already run successful assemblies for their peers and designed noticeboards and posters around school. They are seeking additional funding to:

- Purchase the domain name for a website that they are ready to populate with student friendly advice and sign posting for a range of Mental Health scenarios.
- Provide all students with student designed business cards to make contacting school support services clearer – giving phone and electronic routes for this contact and clarifying the remits of different support teams in school.
- Purchase resources for a Positive Mental Health Awareness day in the Autumn term.

In addition to these positive developments, we have also appointed a number of Student Leaders who applied for roles as peer mentors and they will be visible across the school in different jumpers next year.

This increased student involvement is also part of the school's aims to work towards the Diana Award (for student support and anti-bullying work) during the next academic year.

Students who would like to take part in the non-uniform day should bring £1 to school on Monday 2nd July. Money will be collected in period 1 by class teachers.

Thank you for your support.

Yours faithfully

Dan Bodey
Deputy Headteacher
