31 March 2017

Dear Parent/Carer

Increase in cost of school meals

Please be advised that from Tuesday 25th April there will be a price increase in the cost of school meals and some of the food choices available. This is due to general increases in the price of food.

A two course set meal will rise from £2.35 to £2.40 and a main meal will rise from £1.85 to £1.95. There are some price increases to other items of food and these are detailed on the full price list. A copy of the price list can be found on the school website.

This is the first time in four years that North Yorkshire Country Caters have implemented a price increase and the meals still provide excellent choice, quality and value for money.

The daily maximum spend on our cashless catering will be increased to £5.50 to ensure students can still purchase the food they require.

Yours faithfully,

Mr S Bradford
School Business Manager
