Dear Parent/Carer,

26/09/18

I am writing to inform you that the Science Department is offering a range of revision and practice books for pupils who are taking Separate Science GCSE's. While the revision guides are not compulsory they complement the work pupils undertake in class and provide an excellent source of information relating to the new GCSE science specification. They are being offered at around 50% of the RRP for a book each in Biology, Chemistry and Physics.

For more information on the content of the revision guides please visit the CGP website by either searching for 'CGP' or use the following web address;

www.cgpbooks.co.uk

Please return the slip below to the school's main office by **5th October** with a cheque made out to '**Fulford School**' and the name of your son/daughter written on the reverse or the correct amount of cash.

Yours sincerely,

Stephen Bailey, Head of Science

I would like to order a set of Separate Science revision guides (please tick the boxes):

Name: _____ Year: _____ Form: _____

Science Teachers: _____

I enclose £18.00 for a full set of GCSE Science Revision Guides
Amount paid as cash/cheque

My son/ daughter qualifies for pupil premium funding
