Dear Parents/Carer

GCSE Business Studies Controlled Assignment

In May I wrote to you about the Business Studies Controlled Assignment. This time I just wanted to inform you that your Son/Daughter will be conducting their primary research over the summer holidays (a manager interview and/or consumer questionnaires).

As I said in my email in May, I don't usually like to set work during these holidays as I think the class deserve a well-earned break. However, I have found that it is difficult to set primary homework on shorter, specific deadlines as the difficulties in arranging interviews or accessing site visits vary enormously across the 22 different projects.

It is vital that this is done over the break otherwise your Son/Daughter will find they have nothing to work on when they return as we will be graphing the results in lessons and more importantly they will not have the quality research required to achieve their potential in the controlled assignment.

Thank you for your support in this matter

Yours faithfully

Mr Jones
