Dear Parent/Carer

On Thursday the 2nd July, the Science department at Fulford School is planning a trip to Chester zoo for the whole of year 10 as part of the schools Alternative Curriculum day. We will investigate the variety of scientific roles employed within a modern conservation orientated zoo.

Owing to the distances involved this trip requires students to be in school by 7.50am as the coaches will be leaving at 8.00am and will return by 6.30pm. We trust this will not cause too much inconvenience.

The students are expected to be in full school uniform and will need a packed lunch and a drink for the trip. Additionally they will need a small bag/rucksack to carry a suitable coat, notebook and pen. Due to the extended day a mobile phone may be useful to update parents with the anticipated arrival time on the journey home. Please note that the school is unable to accept any responsibility for those items, which students bring at their own risk.

The cost for the trip is £25.00 this should be sent into the school office along with the reply slip attached to this letter by **Friday 19th June**. Cheques should be made payable to Fulford school. If your child is eligible for Pupil Premium, simply return the reply slip below indicating this is the case. If you wish to make a partial or full contribution to this visit please complete the appropriate information on the reply slip.

We hope that you will agree that such trips are extremely important for the enrichment of students' experience in Science. Chester zoo should provide a fascinating context for learning about the application of Science in the modern workplace. Given the nature such a trip I would like to remind pupils of the high standards that we expect at Fulford in terms of conduct and behaviour.

All students have access to our extra-curricular activities and reasonable adjustments will be made to ensure each student's full inclusion in this trip. Please contact Mr Bodey, Deputy Headteacher, if you think that this may be needed for your child.

Please do not hesitate to contact me if you have any queries.

Yours faithfully

Mr S Lynn
HLTA for Science and Trip Coordinator
