10 September 2015

Dear Parent/Carer,

Re: Year 10 Information Evening

I write to give details of the Information Evening for parents/carers of Year 10 students that will be held in the school hall at **6pm on Monday 21st September**. The information session is designed to help you support your child through his/her GCSE studies and to give you key information about how we monitor academic progress. We anticipate that the session will last around 45 minutes and following this there will be a number of senior staff available to answer general questions. The presentations on the evening will cover:

- An overview of the Y10 and 11 curriculum with details of key exam dates and information on controlled assessments
- An explanation of the target setting, monitoring and intervention process

We wish to highlight the key dates and requirements of Key Stage 4, to highlight the importance of student performance in Year 10 and to offer some guidance on supporting your child through Years 10 and 11.

We will also be offering a study guide titled '*Get the Grade! AQA GCSE English Language*' which has been specifically designed to support students following the new specification. We have 50 guides available for purchase at the Information Evening at a discounted price of £5.00. We will also be able to order additional copies of the study guide if these are required. If you wish to purchase/order a copy of the study guide please bring payment to secure this.

I hope you are able to attend and find the session both useful and informative.

Yours faithfully

T. Johnson
Deputy Headteacher
(Curriculum and Achievement)
