2 February 2015

Dear Parent/Carer,

Please find attached the Key Stage 4 blocked options form. Please note that the completed form needs to be returned to the School Office no later than **Monday 9 February 2015**. The blocked Key Stage 4 options form is also available on the school website.

As you will see, the subject choices are in four blocks. This is something which is common to all schools and without these it is not possible to construct the timetable. We try very hard to accommodate every student's choice of subjects and to meet student wishes to study at Key Stage 4. We have created blocks which allow the greatest possible number of students to choose their first choice combination of subjects, based upon the "free choice" option forms. Unfortunately, there will be a small number of students who will not now be able to select their first choice combination and who will need to amend their subject choices slightly.

Please note the instructions at the top of the blocked options form.

As I said in my previous letter, we can only run a course if there is sufficient demand from students, if there are places available and if we have the resources to support the group. If there is a problem with any of your son/daughter's choices, we will contact you in order to discuss this.

If you have any further questions about your subject choices, please don't hesitate to contact me or your son/daughter's Director of Learning.

Yours faithfully

Mr T Johnson
Deputy Headteacher

OPTION CHOICE FORM: (Hand in to the School Office by Monday 9th February)

Surname _____ Forename _____

Form _____
