17 January 2014

Dear Student,

Please find attached the Key Stage 5 options form for Fulford School Sixth Form. We hope that you will go ahead with an application; if you choose to do so, please note that the complete form needs to be returned to the School Office no later than **Monday 3 February 2014**. The Key Stage 5 options forms are available in the Sixth Form area of the school website.

As you will see, the subject choices are in four blocks. If you find that you are unable to choose your ideal combination of subjects as a result of this, please would you make a note of this on the sheet. Although we cannot guarantee that we will be able to accommodate these requests, we will endeavour to do so.

Since you are already a student at Fulford School, you do not need to complete an application form. Once you have completed and submitted the options form, your application will be processed automatically.

If you have any further questions about your subject choices, please don't hesitate to contact me, your Director of Learning or Mr Morris.

Yours faithfully

Mr T Johnson
Deputy Headteacher
