Dear Parent/Carer

June 2016

## Geography fieldtrip opportunity to Iceland Wednesday 5<sup>th</sup> April to Monday 10<sup>th</sup> April 2017

There has been a strong interest in the Iceland trip from those students who have opted for Geography in Year 12, with more applicants than places. In order for a decision about who should be part of the sixteen students who are selected from the year group, students are requested to write a response to the following questions:

1. Assess the impact of you going on the trip to Iceland.
2. Which have been the most interesting geographical events that have happened since the beginning of June 2016? Justify your answer.

Your application should clearly state your name and be no more than two sides of A4 paper. In addition to the written application, students will be selected who have a proven commitment to Geography. All applications must be handed in to the school Office by **3.30pm on Tuesday 13<sup>th</sup> September**.

The whole process of writing an application does develop useful skills in terms of preparing for extended writing on the A level course, compiling UCAS personal statements and for future employment applications. It is still expected that the total cost of the trip will be £1020, with a payment of £650 due in mid-September and the final balance paid in full by December. Another letter will confirm this once the final costs are known by *Discover the World*.

Please do not hesitate to contact me if you have any questions.

Yours faithfully

Mr Hickling  
Curriculum Leader for Geography
