15<sup>th</sup> January 2019

Dear Student,

Please find attached the Key Stage 5 options form for Fulford School Sixth Form. We hope that you will go ahead with an application; if you choose to do so, please note that the completed form needs to be returned to the School Office no later than **Friday 8 February 2019**.

As you will see, the subject choices are in four blocks. We have used the “free choice” options that were submitted by students in order to create four timetable blocks which allow the greatest possible number of students to choose their first choice combination of subjects. We try very hard to accommodate every student’s choice of subjects. However, we can only run a course if there is sufficient demand from students, if there are places available and if we have the resources to support the group.

If you find that you are unable to choose your ideal combination of subjects as a result of the blocks, please would you make a note of this on the sheet. Unfortunately, although we will attempt to accommodate these requests, the nature of the blocking system means that we are unlikely to be able to do so.

Since you are already a student at Fulford School, you do not need to complete an application form. Once you have completed and submitted the options form, your application will be processed automatically.

Please note that **every Year 11 student will be scheduled for a one-to-one meeting with a senior member of staff between Monday 21 January and Friday 1 February**, so we would advise you not to submit your final Key Stage 5 options until after this meeting has taken place.

If you have any further questions about your subject choices, please don’t hesitate to contact either me, Mr Morris (Director of Sixth Form) or your Head of House.

Yours faithfully

**Mr T Johnson**  
**Deputy Headteacher (Curriculum and Achievement)**
