Dear Parent/Carer

Fulford School Sixth Form Options 2014/15

Please find attached a copy of the Fulford School “free choice” draft options form. Please note that we will use the “free choice” form in order to create four timetable blocks which allow the greatest possible number of students to choose their first choice combination of subjects. We try very hard to accommodate every student’s choice of subjects and to try to meet student wishes to study in the Sixth Form. However, we can run a course only if there is sufficient demand from students, if there are places available and if we have the resources to support the group. If there is a problem with one of your son/daughter’s choices we will discuss other options with you.

Students have been given advice and guidance on courses via assemblies, the Year 11 Information Evening and through Personal Development lessons. Detailed advice and guidance on subject choices is also contained within the Fulford Sixth Form Course guide, which was issued alongside the prospectus earlier this term. Both this booklet and the “free choice” options form are available via the school website.

Please note that application to Fulford Sixth Form is through the completion of this form and, subsequently, completion of the blocked options form. If your son/daughter does not intend to apply to the Sixth Form, please would you complete the relevant section above the options choices.
