Dear Parent/Carer

Year 11 Revision Skills Support: Wednesday 21st March

In order to support your son/daughter with the preparation for GCSE exams, we are pleased to inform you that we are running a Revision Skills Support session during the morning of Wednesday 21st March for all Year 11 students. The intention is that during this time we will use a study skills company, Learning Performance, to deliver a two hour workshop designed to support your son/daughter with his/her revision skills. There will also be four 30 minute workshops run by expert teachers that will look at other aspects associated with exam preparation.

The afternoon of Wednesday 21st March is when the Year 11 Progress Review meetings are taking place for every student for which more information will follow shortly.

In addition to the support we are planning to offer for students, we are conscious that many parents may appreciate the opportunity to be shown how they can support their son/daughter with their revision. To this end, Learning Performance are running a one hour evening workshop on Wednesday 21st March from 6pm to 7pm that is designed to 'enable parents to take a productive role in supporting their children's academic life' and give an understanding of the key revision skills used by students. We very much hope that you are able to attend this session.

In order to ensure that we can run the Revision Skills Support sessions, we would like to ask parents to make a financial contribution of £5 towards the cost of the activities. In order to support our planning of the day, I would be grateful if you could return the reply slip and any contributions to the school office by Friday 9th March.

Please do contact us at school if you have any other questions regarding your son/daughter's revision.

Yours faithfully

K Davies
(Assistant Headteacher)
