

Dear Parent/Carer

I would like to take our group of Music students to York St John University on 17<sup>th</sup> December to record their solo performances.

This visit is in support of your child's Music studies. As a result of our recently forged links with the University we have been presented with the opportunity to take the students there and have their performances recorded professionally. We will then use this recording when submitting your child's work to the examiners for assessment at the end of the course. Each student will also be allowed to keep a copy of their recording after it has been completed, should they wish to do so. Many schools record their solo performances in lessons and we as a department are keen to maximise the opportunities that we can present our students here at Fulford by offering them such experiences.

The visit will give our students a chance to see how professional recordings are made, and will also allow them to perform in a professional recording setting. They may also have the chance to discuss Higher Education music options with current students and staff at the University.

We will need to leave school in the minibus at 9:35 in order to be there for our allocated studio time. The recording session should run until approximately, 2pm when the students will be taken back to school in the minibus.

As the visit is in support of their curricular work, I am pleased to inform you that there will be no charge to be paid.

Please complete and return the attached reply slip, stating whether you wish your child to take part in this activity.

Yours sincerely,

John Hunt  
Teacher of Music
