Dear Parent/Carer

Pretty Curious STEM Challenge Afternoon for Year 8 Girls

I am writing to offer your child the opportunity to attend a STEM Challenge Afternoon at the Great Yorkshire Showground. The afternoon will provide students with an opportunity to work in small teams to

- Build their own invention using LittleBits circuits kits.
- Build a nuclear reactor using virtual reality.
- See how these activities relate to real world STEM careers by watching a 360 degree virtual reality film featuring aspirational women in STEM careers.

Pupils will be transported to the event on the school minibus leaving at 12:10 and returning to school at 4:45pm when they will need to be collected from reception. During the event students will be accompanied by Fulford School staff. **Students will need a packed lunch and are required to wear school uniform.**

The event will take place on **Wednesday 8 November**. Places are limited to 15 and names will be chosen at random on Monday 23 October. Please complete and return the tear-off slip below by **Friday 20 October** if you would like your child to attend.

All students have access to our extra-curricular activities and reasonable adjustments will be made to ensure each student's full inclusion in this trip. Please contact Mr Bodey, Deputy Headteacher, if you think that this may be needed for your child.

Yours sincerely

Paula Kelly
