May 2017

Dear Parent/Carer,

Year 9 Exams Monday 5th June to Friday 16th June

I am writing to inform you that your son/daughter will be sitting exams in the majority of subjects that he/she studies between Monday 5th June and Friday 16th June. These exams will take place within the students' usual timetable and in their usual classrooms.

The Year 9 exams are designed to be the first step in the examination preparation process for GCSEs as it is the first time students will take a number of exams over the course of a two week period. The structure and the number of exams will vary across subjects – some will refer to content that has been covered over the course of the year whilst others will refer to content studied in the last half term or term. Individual class teachers will provide further details about the structure of the exams in their subject area.

In order to support your son/daughter with their preparation for these exams, I have put together a list of suitable revision material which gives links to some websites that may be of use. This list is on the reverse of the letter.

In order to support your son/daughter in the exam period please can I draw your attention to some information contained on our website regarding food and drink that can help improve performance in exams. This can be found on the following link: www.fulford.york.sch.uk/news/food-and-drink/

The results from these exams will be returned to students in their subsequent lessons and their performance will be reflected in their reports that will be distributed later in the Summer term.

Yours faithfully,

Mr A Rosie

Assistant Headteacher
