Dear Parent/Carer

Re: Proposed Tennis/Football/Netball trip at Atalaya Park, Spain – Friday 3 April – Tuesday 7 April 2020

I am writing to announce that Fulford School will be running an exciting trip where your son/daughter could take part in tennis, football or a netball tour to Estapona, Spain at Easter 2020.

We have been organising successful football tours since April 2012. Last year we decided to add netball to the tour and this year we are offering tennis. The students can choose to participate in either tennis, football or netball (depending on the number of students wishing to do each activity).

The operator we have chosen to facilitate our tour this year is **Inspiresport** who have been responsible for all our previous football tours. They are leading providers of sports specific tours to school and club teams in the UK. They work in close collaboration with professional clubs and have exclusive endorsements with many of the national schools governing bodies. The team at inspiresport have extensive experience in travel, sports travel and grassroots sports development. They are also ABTA & ATOL approved, Learning Outside the Classroom (LoTC) and School Travel Forum accredited.

As this is a 'once in a school lifetime' opportunity, we are expecting a high level of interest in the trip. Places may be limited so if your son/daughter is interested in taking part early application is advisable. The total cost of the trip is approximately £999 (to be confirmed on finalised numbers and activities selected).

This includes full board, accommodation, flights, professional coaching and much more. (Please see the additional information attached to this letter).

This year for the first time, it will include a full travelling kit and playing kit.

This sports development tour I feel will, without question, be a very worthwhile venture for us, and one which the students will never forget. Should you wish your son/daughter to be included please complete and return the slip below before 19 July 2019.

The deposit for the trip (cheque preferred) will not be cashed until your place is confirmed.

All Students have access to our extra-curricular activities and reasonable adjustments will be made to ensure each student's full inclusion in this trip. Please contact Mr Bodey, Deputy Head teacher, if you think that this may be needed for your child.

Yours faithfully

Mrs S Jagger
