Dear Parent/Carer,

26/09/19

I am writing to inform you that the Science Department is offering a range of revision and practice books for pupils who are taking Separate Science GCSE's. While the revision guides are not compulsory they complement the work pupils undertake in class and provide an excellent source of information relating to the new GCSE science specification. They are being offered at around 60% of the RRP for a book each in Biology, Chemistry and Physics.

For more information on the content of the revision guides please visit the CGP website by either searching for 'CGP' or use the following web address;

www.cgpbooks.co.uk

Payment can be made for the sum of £18.00 via ParentPay for the full set of science revision guides.

Yours sincerely,

Stephen Bailey, Curriculum leader for Science, Fulford School
