Dear Parent/Carer,

Year 10 Information Evening

I write to give details of the Information Evening for parents/carers of Year 10 students that will be held in the school hall at **6:30pm on Monday 16th September**. The information session is designed to help you to support your child through his/her GCSE studies and to give you key information about how we monitor academic progress.

We anticipate that the session will last around 60 minutes and there will be a number of senior staff available afterwards to answer general questions.

The presentations on the evening will cover:

- An overview of the Year 10 and Year 11 curriculum with details of key exam dates and information on the new 9-1 grading system
- An explanation of the target setting, monitoring and intervention process

You will also have an opportunity to meet Mr Lewis, the school's new Headteacher.

I hope that you are able to attend and that you find the session both useful and informative. Please note that students should **not** attend the Information Evening.

Yours faithfully,

T. Johnson

Deputy Headteacher
