Dear Parent/Carer

Year 11 Mock examinations start on Monday 24 February with the final examination taking place on Tuesday 3 March. Students already have an examination timetable showing when each exam is taking place, however, should you wish to check dates and times of examinations please see over, the timetable is also available to view/download from the school website www.fulford.york.sch.uk - Students & Parents → Exam Info → Dates & Timetables

During these dates when students do not have an examination **they should be in their normal lesson. Students must bring equipment and books for those lessons when they are not in examinations, including P.E. kit. We appreciate your support in ensuring that this happens during the examination period.**

During the mock exams the usual examination rules will apply and it is important that students:

- Check the noticeboard in the canteen the day before the exam in case of room changes etc.
- Arrive at least 10 minutes before the start of each exam
- Have the appropriate pens/pencils/rulers/calculators for each exam in a clear transparent bag
- Do not bring a mobile phone, iPod, MP3/4 player, or any form of wrist watch into the exam room.
- Are in correct school uniform.

If a student misses an examination through illness they should come to see myself or a member of the exams office staff upon their return so that we can organise another time for the examination to be taken.

Yours faithfully
