September 2021

Dear Parent/Carer

Alternative Curriculum Day - Year 10

As part of the Alternative Curriculum Day on October 21<sup>st</sup> the Science department will be taking year 10 students to the Deep in Kingston upon Hull. The educational focus of the trip will be to enhance student understanding of animal adaptations, habitat and conservation. These are important aspects of the Biology syllabus that have been taught recently.

This trip will run within the normal school day. Students should wear their full school uniform (to aid identification at the attraction) and will need a packed lunch, drink and a notebook and pen. Students may also wish to bring a mobile phone as we will be running a photograph competition as part of the day. Please note that the school is unable to accept any responsibility for such items, which students bring at their own risk.

If you would like your son/daughter to be involved in this trip a contribution of **£14.50** can be made via **ParentPay**. Payments should be made by **Monday 11<sup>th</sup> October**. This medium also facilitates the giving of consent for the school trip and will enable us to confirm student numbers. An alternative, related activity will be available for any students who remain in school.

Under the terms of the Education Reform Act 1996 the school cannot make a direct charge for the trip. We are however permitted to ask for voluntary contributions towards the Deep (Hull) visit. Please note we are unable to subsidise this visit from other school funds. We reserve the right to cancel the visit if insufficient funds are available. If your child is eligible for Learner Support Fund simply complete the reply using the following link <https://forms.office.com/r/LLdcMGjsGY>

All students have access to our extra-curricular activities and reasonable adjustments will be made to ensure each student's full inclusion in this trip. Please contact Mrs Mehta, SENCO, if you think that this may be needed for your child.

Yours faithfully

Sam Lynn
