Dear Parent/Carer

Year 13 Mock examinations start on Tuesday 4 January 2022 with the final examination taking place on Tuesday 11 January 2022. Students have been issued with an A5 examination timetable showing when each exam is taking place, however, should you wish to check dates and times of examinations please see over, the timetable is also available to view/download from the school website: www.fulford.york.sch.uk - Information → Exams → Dates & Timetables

These are a crucial opportunity for students to sit full length examinations and gain necessary experience before the final examinations in the summer.

During the mock exams the usual examination rules will apply and it is important that students:

- Arrive 10 minutes before the start of each exam
- Have the appropriate pens/pencils/rulers/calculators for each exam in a clear transparent bag
- Do not bring a mobile phone, iPod, MP3/4 player, or any form of wrist watch into the exam room.

Venues for all written exams will be displayed on student's individual timetables which will be issued to them during the week commencing 6 December 2021. Students are asked to check their seat number carefully as they will be called into the exam room in seat number order.

If a student misses an examination through illness we will try to organise another time for the examination to be taken on their return to school.

Yours faithfully
