FULFORDSCHOOL

My name is Julie Matthews and I am a Tour Manager for WST Travel. I have just spent 3 days in the company of Mr Nesbitt and his staff team and 45 of your Year 9 students on their London Tour.

I just want to very quickly say that I spend a lot of time with school groups and **yours stood out from the crowd due to their impeccable behaviour.** Your students were friendly, engaging, full of enthusiastic questioning and absolutely delightful company. A real credit to your school.

I wish them all well.

A man with short brown hair and a beard, wearing a grey t-shirt, is speaking. Below him is a banner with three logos: the Fulford School crest (a shield with a cross and a book, surrounded by the text 'REALISING POTENTIAL | CREATING THE FUTURE'), the text 'FULFORDSCHOOL' in blue and yellow, and the South York Multi-Academy Trust logo (a colorful starburst) with the text 'South York MULTI-ACADEMY TRUST'.

The Key Stage 4 Curriculum

Years 10 and 11

The Curriculum

The curriculum comprises a combination of Core Subjects (taken by all students) and optional subjects (chosen by students).

Core Subjects

- English Language
- English Literature
- Maths
- Science (two/three GCSEs)
- Religious Studies
- Core PE[#]
- Personal Development [#]

[#] Non examined.

Core Subjects

- English

Students will study both English Language and English Literature

- Mathematics

Students will sit either higher tier (grades 9-4 available) or foundation tier (grades 5-1 available). Approximately 2/3 of the year group will sit the Higher tier.

Core Subjects - Science

- * There are two different pathways in Science
- * Some students (approximately 1/3 of the cohort) will be studying Triple Science and will receive separate GCSEs in Biology, Chemistry and Physics
- * All other students will be studying Combined Science. This route gives students two GCSE grades and the course contains biology, chemistry and physics content
- * Students will sit either higher tier (grades 9-4 available) or foundation tier (grades 5-1 available)
- * These courses are assessed by linear examinations at the end of Year 11
- * The pathway for each student is usually confirmed at the end of year 9.

Core Subjects

- Religious Studies

All students will study the GCSE Short course qualification (worth half a GCSE) as part of the core curriculum. Students can choose to study the full course qualification within the options.

Optional Subjects

- * Students choose four options to study in Year 10 and 11
- * The majority of the subjects we offer are GCSEs
- * Alternative Level 2 qualifications are offered in Construction, Enterprise Business, Health and Social Care, Engineering, Travel and Tourism and IMedia
- * We offer a Level 1 qualification through our Foundation Learning Programme
- * French and Spanish are the only optional subjects to offer foundation/higher tier papers.

The English Baccalaureate (“EBacc”)

- The set of subjects that keep young people’s options open for further study and future careers. These subjects are:

- ☐ English Language/English Literature
- ☐ Maths
- ☐ Science
- ☐ A Modern Foreign Language
- ☐ A Humanity (History or Geography)

Curriculum Breadth and Balance

We **very strongly** recommend that most students aim for this in their choices. To achieve this, students should select:

- A foreign language (French or Spanish)
- A humanity (History or Geography)
- Students CAN choose both Modern Foreign Languages or both Humanities if they would like to do so.

Other GCSE Options

- Art
- Business Studies
- DT Product Design
- DT Textiles
- PE
- Computer Science
- Drama
- Food Preparation and Nutrition
- Music
- RE Full Course

Other Options Courses

Level 2 (worth 1 higher grade GCSE)

- Creative iMedia
- Construction
- Health and Social Care
- Engineering
- Enterprise
- Travel and Tourism

Level 1 (worth 1 grade 1-3 GCSE)

- BTEC Workskills.

New GCSE Grades	Vocational Qualifications	
9	Distinction * 8.5	Level 2
8		
7	Distinction 7	
6		
5	Merit 5.5	
4	Pass 4	Level 1
3	Distinction * 3	
2	Distinction 2 Merit 1.5	
1	Pass 1	

Assessment

- * Some subjects are assessed only by linear examinations at the end of Year 11 (e.g. History, Geography).
- * Some subjects include a proportion of the course that is assessed by coursework or controlled assessment (called NEA – non examined assessment). The proportion of this varies across subjects – please see the options booklet for further information.
- * All GCSE subjects will be assessed on the 9-1 scale.
- * All GCSE subjects have an examination at the end of the course in Year 11
- * Level 2 Vocational courses have one external assessment. The remainder of the assessment is through completion of set tasks.

Taster Lessons and Careers Guidance

- Talks about option subjects and taster lessons should be taking place in lessons this week.
- Within form time, students have been given some careers guidance to help support them to make their choices.
- Our website contains lots of relevant links to career information <https://fulford.york.sch.uk/careers/> for students choosing both GCSE and post 16 pathways

How to Choose?

- Read the details about the subjects in the options booklet!
- Which subjects does they actually ENJOY studying?
- Which are the subjects in which they achieve well?
- Does they want to study something new?
- What are their future higher education or career aspirations?
(does they already know what path they are likely to want to take?)
- What STYLE of learning and assessment do they prefer? (exams, coursework, project-based, practical etc.)
- **DON'T let them base their choices upon what their friends are going to choose!**
