17th April 2026

Dear Parent/ Carer,

I hope you had a pleasant Easter season together - including the beautiful weather!

Some of our current year 7 student council members (Will and Thomas) together with one of our Head Students (Aiko) have sent me letters to share with our future year 7s. We will be most grateful if you can read the attached letters together with your child and let them know just how much we are looking forwards to welcoming them to Fulford!

We will be visiting all of our main feeder schools (where 5 or more children are moving to Fulford) over the next 2 weeks. We will form something of a visiting delegation, including: year 7 and 12 alumni, Mr Gatenby (Head of Year 7), Mrs Mehta (SENDCo) and myself - all eager to meet our new cohort! Mrs Mehta will talk to the class teacher while the rest of us talk with the class and answer their questions.

I can now confirm that Transition Day will take place on Wednesday 1st July, followed by a Transition Evening meeting at school for parents. There will be an online parents' information evening in the week prior to this and I'll be sure to keep you updated with relevant information over time.

Finally, please can I remind all families who have not yet submitted their child's application form, to complete the Applicaa online application form by the close of Wednesday 22nd April (this has been e-mailed to you). We make extensive use of the information that you share through this portal in preparing for your child's arrival at Fulford (e.g. medical needs, friend requests for new form groupings etc.).

With best wishes for the final term at primary school!

Yours faithfully,

Stephen Bailey

(Assistant Headteacher, Community, Fulford School)
