5<sup>th</sup> March 2026

Dear Parent/ Carer,

We would like to extend a very warm welcome to you as a family as you join the Fulford community! The school really is a great place to be and we hope your child is eagerly anticipating the move - though doubtless there will be some element of nerves. As a school, we are certainly looking forwards to getting to know them and achieving much together.

We have a thorough transition process which includes:

- Speaking with primary teachers about all the children that are to join us (including in relation to SEND);
- Staff and student ambassadors visiting our local feeder schools to meet children and talk about life at Fulford;
- A transition day where students experience some lessons at Fulford as part of their new tutor group;
- An evening event to welcome parents/ carers to Fulford School with the opportunity to meet form tutors;
- Optional weekly transition tasks to help prepare children for life at Fulford.

More information about the above will be shared in the summer term. At this point we will also ask for further information to ensure a smooth transition (both at a practical level and also to help us get to know your child better). We will use an app called Admissions+ for this purpose and you will receive contact in relation to very soon via the email address [admin@applicaa.com](mailto:admin@applicaa.com).

For the time being, we will close this letter by reiterating our message of welcome! We will be in touch again before Easter to keep you fully informed throughout the transition period.

Yours faithfully,

Russell Harris  
Head Teacher
